## HARGRAVE 97' RAISED PILOTHOUSE 'COCKTAILS'

Casual sophistication is the theme on 'Cocktails'. Entering the main deck your eyes are immediately drawn to the onyx marble-topped bar illuminated from underneath creating a golden hue that adds to the elegant ambience of the space. Warm textures and rich colours of taupe and grey create this inviting environment that allows you to truly relax in style.

Form, function and beautiful design create a perfect living space that includes the best in brand name entertainment, such as the concealed 42" Marantz plasma TV mounted on an electronic lift. Forward, a round dining table has seating for six and is ideal for formal dining or even a casual breakfast. Cherry wood with a custom cherry hardwood edge and crown moulding sets the tone for this elegant vessel. The gourmet style galley features stainless steel appliances and black marble surfaces and with its u-shaped banquette is yet another great spot for dining.

Below deck three staterooms, including an oversized master, elegant VIP stateroom and versatile twin bed stateroom, continue the theme of sophistication with only the finest fabrics and most luxurious accommodation. This yacht sleeps 10 with the use of two Pullmans and can accommodate 4-5 crew members.

This Raised Pilothouse model, although boasting a gorgeous interior, is truly special because of the many outdoor entertainment and relaxation areas. The private aft deck is the perfect spot for watching the sun set in the distance or enjoying your guests over a nice meal.

Moving to the top deck, the flying bridge is one of the most appealing spots on the boat with a specially designed retractable canvas shade built into the hardtop that gives you the option of entertaining your guests beneath a starlit sky. A full bar, ample seating and an oversized hot tub on the fly bridge, create an ideal atmosphere for both day and night.
