**HARGRAVE 101'
RAISED PILOTHOUSE
'SEAFARER'**

'Seafarer' is the second Hargrave yacht built for her owners, with every detail having been carefully considered and implemented to achieve their version of perfection. Her layout and amenities were also scrutinized from the perspective of the charterer, with sleeping arrangements for 8 guests and enough space for a crew of 5. All of these technical aspects are balanced by a sense of warmth and richness throughout the interior and exterior living spaces. Deep natural woods, plush fabrics, personal artwork and decorative items create inviting areas to relax with family or entertain guests.

A lovely saloon flows forward to a more formal dining area complete with a round table and six elegant parsons chairs. The galley is well laid out and well equipped for an experienced chef in the signature country-kitchen style for which Hargrave Yachts are well known, with the dining settee facing aft. A staircase from the galley leads down to the elegant VIP forward stateroom. The remaining three staterooms are reached via a staircase leading from the main saloon. An exceptional master suite, a starboard guest stateroom with a queen bed and a twin stateroom all have en-suite facilities.

After exploring the many appealing interior spaces onboard, the fly bridge is the next best place on this yacht. Colours of orange and cream dominate the space and play off the natural surroundings. A large portside settee and table create a perfect al fresco dining area complete with teak chairs for additional guests. Just opposite this fun space is a full wet bar with several upholstered orange bar stools. The entertainment continues aft with a large hot tub, grill, storage space and room enough for a tender and davit.

'Seafarer' explores the world of an experienced yacht owner and offers amenities ideal for family, friends and knowledgeable charterers.
