HARGRAVE 98' SKY LOUNGE 'TIGERS EYE'

At 98' in length, this brand new Sky Lounge yacht was designed and built with charter in mind, with sleeping arrangements for up to 10 guests. Her 'Zen-like' interior is appreciated the moment you step inside the main saloon area, natural gloss cherry wood accentuating the calming colours of beige and light greens evoking an understated Asian theme throughout the interior. This theme is carried into several of the main entertainment areas with the continued use of natural woods, light marble counters and accents and hand-selected Asian decorative items. The forward dining area seats 6 in a pleasant round table arrangement.

There are no overwhelming details on this splendid yacht, rather every aspect seems to flow together seamlessly and harmoniously. Forward from the main saloon and dining area is an enclosed galley with a feng shui layout accompanied by a forward dinette, lightly coloured Kodiak granite counters and stainless steel appliances with an ergonomic flow for the chef at work.

Below deck there are 5 large staterooms with versatile sleeping arrangements using Pullman berths and twin beds that slide together to transform into a double bed. This flexibility is especially important when considering the needs of charter guests. Other features that appeal to owners and guests alike include the plush sky lounge which has a more dramatic feel with deep black 'Galaxy' granite counters, cherry wood with maitore wood accents and deeper green beige fabrics offering yet another interior entertainment area. Just beyond the sky lounge is the upper aft deck complete with a large outdoor hot tub, grill and a door leading directly to the day head for changing after a quick dip in the water.

Overall, 'Tigers Eye' is a very accommodating and versatile luxury yacht, finished to the highest standards that will certainly serve her guests well.
